A proxy who himself is a shareholder of the Company will be authorized to vote both for his own shares and for shares of other shareholders represented in the meeting. Contents of certificates of representation/powers of attorney are determined and announced within the frame of the pertinent provisions of the Turkish Commercial Code and the communiqués and regulations of the Capital Markets Board.

ACCOUNTING YEAR

Article 22:

Accounting year of the Company starts in the first day of January and ends in the last day of December.

DISTRIBUTION OF PROFIT

Article 23:

Net profit of the period, shown in the yearly balance sheet, is calculated by deduction of taxes due and payable by the Company and of other amounts required to be paid or set aside by the Company, like general expenses and various different depreciations of the Company, from its total income determined as of the end of each accounting year, and is distributed in the following order and as stipulated below after deduction of past year losses, if any, therefrom.

General Legal Reserve Fund:

- a) 5% of net profit of the period is set aside as general legal reserve fund.

First Profit Share:

- b) Out of the balance, first profit share is set aside and reserved from the amount to be found by addition of the amount of donations, if any, made during the year, pursuant to provisions of the Turkish Commercial Code and the laws and regulations pertaining to Capital Markets, within the frame of the Company's profit distribution policy.

Without prejudice to first profit share, the following profit items are set aside and reserved from the remaining net distributable profit.

- c) 10% thereof is set aside for distribution to holders of dividend right certificates.
- d) A portion, up to maximum 5%, of the amount remaining after payment of the moneys referred to in subparagraphs (a) to (c) hereinabove to directors and to managers and officers of the Company may be allocated and set aside as profit shares in the sole discretion of the General Assembly of Shareholders. Distribution of the profit shares determined and set aside for directors among directors is determined by the General Assembly of Shareholders in compliance with the laws and regulations pertaining to Capital Markets.
- e) A portion up to maximum 5% may be set aside for foundations established or participated in by the Company or for such other persons and/or entities.

Second Profit Share:

- f) Portion of net profit of the period remaining after deduction of the amounts mentioned in subparagraphs (a), (b), (c), (d) and (e) hereinabove may be fully or partially distributed by the General Assembly of Shareholders to shareholders in proportion to their shares in the capital as second profit share, or may be fully or partially set aside as extraordinary reserve fund.

General Legal Reserve Fund:

- g) One-tenth of the portion of the amount, decided to be distributed to shareholders and other profit sharing persons, remaining after deduction of a profit share of 5% of paid capital, is set aside and reserved as general legal reserve fund pursuant to pertinent provisions of the Turkish Commercial Code.
- h) Unless and until the reserve funds required to be set aside as per laws and the profit shares determined for distribution to shareholders in the Articles of Association or in profit distribution policy are duly reserved, it may not be decided to set aside other reserve funds, or to carry forward profit to the next year, or to distribute profit shares to dividend right certificate holders, directors or employees of the Company, or non-shareholder persons or entities, nor may profit shares be actually distributed to said persons or entities unless and until profit shares determined for distribution to shareholders are actually paid in cash.

Profit shares are distributed equally to all of the capital shares existing as of the date of distribution, irrespective of their dates of issue and acquisition.

Method and timing of distribution of profit decided to be distributed as above are decided by the General Assembly of Shareholders upon a motion of the Board of Directors pertaining thereto.

A profit distribution decision taken by the General Assembly of Shareholders in accordance with provisions of the Articles of Association may not be withdrawn or cancelled.

Profit share advances may also be distributed as per the pertinent provisions of the Capital Markets Law and in accordance with the principles set down in the laws and regulations pertaining to Capital Markets. Distributed advances are set off and deducted again in accordance with the applicable laws and regulations.

DATE AND METHOD OF DISTRIBUTION OF PROFIT

Article 24:

Date and method of distribution of yearly profit to shareholders will be decided by the General Assembly of Shareholders upon a motion of the Board of Directors pertaining thereto in accordance with the Capital Markets Law and other applicable laws and regulations. Profits distributed according to the pertinent provisions of the Articles of Association are not claimed back.

COMPLIANCE WITH CORPORATE GOVERNANCE PRINCIPLES

Article 25:

The Company will comply with the requirements of Corporate Governance Principles imposed by the Capital Markets Board.

The Company will comply with the provisions of the Capital Markets Law and the regulations of the Capital Markets Board pertaining to corporate governance in all transactions classified as material in terms of application of Corporate Governance Principles, and in all kinds of related party transactions of the Company, and in its transactions regarding provision of securities, pledges and mortgages in favour of third parties.
